1. The attached reference memorandum has been discussed with Mr. [REDACTED], Chief, Special Intelligence Staff/OCI, Extension 8592, who has this matter in hand. He tells me that Project [REDACTED] is now costing approximately [REDACTED] per year and they want to expand it to [REDACTED]. The suggestion in paragraph 4 of the reference memorandum regarding [REDACTED] has now been dropped as being too complicated. NSA wants to obtain straight support to [REDACTED] and may ask us to take over the [REDACTED] contract.

3. NSA has suggested that before any moves are made, particularly any approach to the Bureau of the Budget, which I told [REDACTED] is necessary in such cases, we should get in touch with their Comptroller, Colonel [REDACTED], who is the man most knowledgeable about this situation.

4. Please consider and advise me regarding the steps which we should take to answer the CIA COMINT Officer's question in paragraph 5 of the reference memorandum.
